

# Espléndido

Spirit drink obtained from the selection of wine holandas, and aged through the traditional Criaderas and Solera system. Espléndido 25 is a new version of our best spirit, but with a lower alcohol content that makes it the perfect accompaniment to coffee, giving it a different sweetness.

Size: 1 L

Amber color, clear and luminous.

Very delicate, pleasant, with vanilla and caramel nuances.

Smooth and warm, with bitter woody notes and sweet caramel nuances.
